Lead Capture - Lead Nurture - Lead Conversion

RED

What do you get for \$2500 per month?

Build and Audience and create buyers

A good marketing campaign delivers the right creatives at the right time. We see too many companies that spend large amounts of money on the creative, yet fail miserably on the delivery.

Our simple checklist is going to make we create and execute a marketing campaign that works. Your goals should be to build an audience and create a conversation. Conversations create closings!

First, we are going to a look at your message.

After that...we will begin to locate your target audience. We break marketing down into 3 steps.

1. Lead Capture - Lead Nurture - Lead Conversions

When you place your message in front of the right audience at the right time your business will grow.

Let's get started.

Step 1: Fix your message

We start with your message

How is your message? Is it clear? Is it confusing?

Great marketing campaigns have to focus on one thing, not a bunch of things. You have to be very clear on what you do, and how you benefit your customer.

That's why the very first step to creating your message has to be focused on the one thing that your viewer/customers wants.

Your Message Checklist:

- Unique Selling Proposition (USP)
 - Does it have the benefit in it?
 - Is it simple
 - Does it say what you actually do
 - Does it pass the 5 second test
- Place your USP the following places
 - Website
 - Facebook
 - YouTube
 - Instagram
 - Video

YOUR

USP: _____

Step 2: Fix or verify the foundation.

We go back through your current website setup and make sure the foundation is in place. Here's our checklist.

- Website set up and design (keep it simple)
- Website Optimization: Title, description, and on-page optimization
- Google Tag Manager
 - Connect Google Analytics
 - Connect Google Adwords
 - Connect Facebook Pixel
 - Set up conversions Tracking on Tag Manager and Analytics

- Google Webmaster (submit your sitemap to Google)
- Google My Business (Google My Business)
 - Select the right Category
 - Built out the GMB profile
 - Create Citations (the Hoth, Yext or manual)
 - Get first 5 reviews
- Create 7, 14, 30, 60, 90, and conversion remarketing audiences
 - Create Google Analytics and Google Ads remarketing
 - Facebook Remarketing
 - More Audiences: visitors, non buyers, buyers
- Bing Webmaster
- Blog set up
- Page speed test and optimization

Lead Capture

Lead capture is where marketing begins. Without a lead, you can not create a sale. What is a lead? It can be a form fill, a phone call, a text message, a Facebook comment or chat etc.

- Google Ads (Search, display, and Video)
- Google Maps
- Facebook Posts and Ads
- Instagram Posts and Ads
- YouTube Videos and Ads
- Organic Search (SEO, Search Engine Optimization)

I can't stress how important content creating is to a marketing campaigns. It's not easy to wake up everyday and create content. Put a team in place that can help you with content or have us create it.

Lead Nurture

New customers can take time to decide to buy your product or service. They don't come quickly. As a business owner, we tend to underestimate the how long the customer journey takes. So we give up, quit too earlier, or built a marketing campaign based off of short term gains. That's why you need a Lead Nurturing campaign in place.

- Google Display remarketing campaign
- Google Remarketing for search ads
- Facebook Remarketing campaign
- Instagram Remarketing Campaign
- YouTube Remarketing campaign
- Email Follow up sequence
- Calls and Text messages (6 to 20 touches)

I can't stress how important content creating is to a marketing campaigns. It's not easy to wake up everyday and create content. Put a team in place that can help you with content or have us create it.

Lead Conversion
